

Technological Innovations for Integration of Food and Health (TiFH 2019): A focus on North-Eastern India

Organizer:

Tezpur University,
Tezpur, Assam

February 14-16, 2019

Co-Organizer:

Association of Food Scientists
& Technologists (India)

Chief patron

Prof V. K. Jain

Vice Chancellor, Tezpur
University

Advisors

Prof S. R. Bhowmik

Ex-Director, CFTRI, Mysore
& Past Research Consultant,
Frito Lays, USA

Prof M. Shafiur Rahman

Sultan Qaboos University, Oman
Editor-in-Chief, IJFP

Prof Rekha S. Singhal

ICT, Mumbai

Prof H. N. Mishra

IIT, Kharagpur

Prof C. L. Mahanta

Tezpur University

Dr KSMS Raghavarao

CSIR-CFTRI, Mysore

Prof H. K. Sharma

Director, NIT Agartala

The conference aims to provide a platform for exchange of innovative ideas, research findings in the field of food processing and also an opportunity to collaborate among the participants. The objectives of the conference are:

- To discuss the possible improvements in the existing post-harvest management practices and process technologies
- To identify advanced technologies that have the potential for application in the near future, and
- To develop the innovative strategies and solutions for sustainable food processing and nutritional security

Organising Committee

Chairperson

Dr Brijesh Srivastava

Co-Chairpersons

Dr S. Bhattacharya

Prof. S.C. Deka

Convenor

Dr M. K. Hazarika

Co-convenors

Dr Poonam Mishra

Dr N. R. Swami Hulle

Registration

For UG/PG students:

Rs 1000/- (till Nov 25, 2018)

Rs 1500/- (by Dec 31, 2018)

For others:

Rs 2500/- (till Nov 25, 2018)

Rs 3500/- (by Dec 31, 2018)

Contact

Dr. M. K. Hazarika

Important information

The International Conference will hold invited lectures by eminent persons, oral and poster presentations, special theme based oral presentations, and group discussion

- **Abstract submission deadline:** November 20, 2018
- **Special theme-based oral session:** Selected 10 posters will be permitted to present where the presenter will receive to and fro sleeper class train fare
- **Accommodation:** Limited accommodation will be arranged on request (payment basis and first cum first serve basis)
- **Reaching Tezpur University**

Guwahati is well connected to many cities of India by air, rail and road highways

By Road: Distance between Guwahati and Tezpur is about 190 km; can be reached on road by bus or taxi

Air Connectivity: Thrice a week direct Air India flights to Tezpur is available. Zoom Air operates a daily flight (at present both the flight services are temporarily discontinued due to technical reasons)

- **Local attraction:** An elephant ride in Kagiranga forest (60 km from Tezpur), the habitat of one horn rhino, is a life-time experience. Further, Shillong in Meghalaya and Tawang in Arunachal Pradesh are worth visiting places
