

**SQC & OR Unit
INDIAN STATISTICAL INSTITUTE
Bangalore**

In Collaboration with

**DEPARTMENT OF BUSINESS ADMINISTRATION
TEZPUR UNIVERSITY**

Announces

তেজপুৰ বিশ্ববিদ্যালয়

**Certification Program
for**

**SIX SIGMA GREEN BELT
For North-Eastern States**

08 –11 March, 2017 At Tezpur

**Indian Statistical Institute,
8th Mile, Mysore Road, Bangalore - 560 059
www.isibang.ac.in**

Program Contact :

Prof. S S Sarkar, Tezpur University

EXPECTATION!

- ❖ **Six Sigma** is like that old Wella Balsam shampoo commercial: *'She told two friends, and they told two friends,'* and so on....*"As Black Belt project leaders multiply and train more people, and those people get involved in projects, the financial impact is exponential, in our view."* Writes Jennifer Pokrzywinski, an analyst with Morgan Stanley, Dean Witter, Discover & Co. (Report on Business Magazine, October 1997)
- ❖ **Six Sigma** initiative has become a rage. Every organization wants to implement Six Sigma approach in anticipation of improving market penetration and organizational speed at the same time reducing cost of doing business.
- **Six Sigma** is being perceived to take people to higher level of performance with fewer mistakes while making it a strategic option for transforming an organization.
- **Six Sigma** is a Program to be owned and led by leadership orienting strategically towards market place and customer satisfaction.
- **Six Sigma** is described as a methodology to improve business processes and is supposed to provide metrics that strives for near perfection.
- **Six Sigma** embodies a disciplined, data-driven analytical approach for reducing variation in any process and thereby eliminating defects.

PRESENT SCENARIO

- Six-Sigma is a data driven process improvement methodology. Many a times the project leaders suffer from the lack of adequate understanding of the appropriate tool to apply in a real life situation. Ultimately most of the time prior knowledge or experience take precedence over data analysis.
- The aim of the program is to provide an in-depth knowledge to the participants to equip them with methodology to deal with problems independently, so that these people can work as internal resource personnel.
- How long we can depend on outside consultants. If Six Sigma has to be natural way we do business then we must have internal change agents who will take the mantle of creating more of change agents inside the organization.
- To seek answers to some of the questions faced by the implementing entities, the **Indian Statistical Institute** is organizing this program of developing internal change agents by equipping them with necessary skill of advanced Six Sigma methodology so that these people in turn can replace the consultants and take up the onus of sustaining the movement on their own.

VENUE AND TIMINGS

The Sessions shall be held during **08 March - 11 March, 2017;**
09:00 to 18:00 hrs (Extendable)

at the **Dept. of Business Administration, Tezpur University, Napaam, Sonitpur, Assam-784 028.**

FACULTY

Specialists from the **Indian Statistical Institute** and **Tezpur University**

WHO CAN ATTEND

- **College / University Teachers, Research Scholars**
- **Engineering Students (Final year Bachelor degree & Above), MBA Students**
- **Industry participants**
 - Diploma / Degree holder in any discipline with basic knowledge of Quality Management
 - Experience of involvement in improvement projects is desirable

CERTIFICATION CRITERIA

- **Qualifying certificate** by securing 75% marks in the test conducted on the last day of the course.

TRAINING SESSION TOPICS:

Introduction to Six Sigma Methodology; Identification, Prioritization and selection of Improvement opportunities Roles & responsibilities in Six Sigma implementation, Over view of Six Sigma Project execution [DMAIC (Define-Measure- Analyze- Improve & Control)];

Development of business cases. Translating the needs of the customer into the specific requirements - Development of Project Team and Charter, Define and Map Processes to be improved (SIPOC / COPIS); Identification of Critical to Customer (CTC) / Critical to Business (CTB) characteristics.

Data Collection planning, Type of Data, Introduction to statistical software packages for data display and analysis, Measurement System Evaluation (Gauge R&R) for variables as well as attribute data, Understanding variation-special causes vs. common causes through dot plots, box plots, histogram and control charts, Stratification methods through Pareto, Bar Diagrams, stratified dot plot, etc, Evaluation of Process Capability and Sigma level.

Process mapping including activity flow chart, identification of value-added and non-value-added activities (Lean Sigma), Organizing for potential causes using cause and effect diagram, Verification/validation of causes using work place investigation (GEMBA), FMEA, Concept of correlation and Regression and use of the same in validating causes, Concepts of Test of Hypothesis, Concepts of industrial experimentation.

Selection and prioritization of solutions for the validated causes including concept of risk analysis, Developing plan for pilot and full scale implementation.

Development of the process control plans, Evaluation and monitoring mechanism (SPC), process audits, comparison of results after implementation of the solutions, institutionalization and integration of the solutions, project closure.

PARTICIPATION FEE :

This program is **sponsored by the Govt. of India**

However, a nominal registration fee of **Rs. 3,500/-** (non-residential participants) and **Rs. 7,500/-** (residential participants) is to be paid to cover the food and ancillary expenses .

Residential participants will be provided accommodation in University Guest House on twin-sharing basis from 07-03-2017 to 11-03-2017

Registration fee should be paid by **Bank Transfer to "MS Endowment Fund Account". Account No. 10501585452, SBI, Tezpur Main Branch*.**

How To Register:

An e-mail with a scanned copy of filled-in Registration form and Bank transfer details to be sent to Prof. S S Sarkar, Professor, Department of Business Administration, Tezpur University by e-mail.

*** IFSC SBIN00000195, MICR 784002002, Type of Account: Savings**

Few Seats are available, Apply Quick, Registration will be stopped once seats are filled-up

INDIAN STATISTICAL INSTITUTE

- ❖ The **Indian Statistical Institute** is a quasi central organization under the Ministry of Statistics and Program Implementation.
- ❖ It is declared by an **Act of Parliament** as an **Institute of National Importance**.
- ❖ Over the years the Institute has grown as a multi-disciplinary organization.
- ❖ It functions as a **University** empowered to award degrees up to Ph.D.; as a **Corporation** in undertaking large scale projects; as a **Firm of Consultants** to industries to improve Quality, Reliability and Efficiency and as a **Meeting place** of Scientists, Economists and Literary figures from all parts of the world.
- ❖ For further details, please visit website **www.isibang.ac.in / www.isical.ac.in**

Roles & Functions of SQC & OR DIVISION

- ❖ The **pioneer and leader** in blending **statistical theory with practice** and institutionalizing the **continuous improvement process** into a sustaining system.
- ❖ To strengthen **national economy** through continual search for excellence in Quality.
- ❖ To disseminate the basic concepts and **techniques for Quality Improvement** by organizing Training programs, Workshops and In-house programs.
- ❖ To develop **highly skilled professionals** capable of self actualization.
- ❖ To help industries in their efforts to cope up with the growing challenge of global competition through implementation of quality system based on **ISO-9000 series, ISO-14000, TS-16949-2002 standards, Six Sigma & World Class Manufacturing**.
- ❖ To continually develop and improve methodologies through **applied research** efforts to attain International Standards in services provided.
- ❖ To provide **solutions to the problems** pertaining to the entire gamut of complex Business Decision Processes with the aid of **Statistics and Operations Research**.

CERTIFICATION PROGRAMME

FOR

SIX SIGMA GREEN BELT

FOR NORTH - EASTERN STATES

SQC & OR Unit Indian Statistical Institute Bangalore &
Department of Business Administration, Tezpur University

08 March - 11 March, 2017

REGISTRATION FORM

1. Name							
2. Designation							
3. Organization where you are presently working/studying with address							
4. Mobile Number							
5. Email id							
6. To which category do you belong? (Please tick)	Residential	Non-residential					
7. Registration Fee Paid	Rs. 7,500/-	Rs. 3,500/-					
8. Bank Transfer details *							
9. Food Habit (Please tick)	Vegetarian	Non-vegetarian					
Kindly respond to the following questions so that we can develop the most suitable programme for you.							
10. Your present level of exposure to quality management							
<table><tr><td>No exposure</td><td>Just a little</td><td>Average</td><td>high</td><td>very high</td></tr></table>			No exposure	Just a little	Average	high	very high
No exposure	Just a little	Average	high	very high			
11. Your exposure to computer							
<table><tr><td>No exposure</td><td>Just a little</td><td>Average</td><td>high</td><td>very high</td></tr></table>			No exposure	Just a little	Average	high	very high
No exposure	Just a little	Average	high	very high			
12. What is your expectation from the programme?							

Signature of the participant

* Please scan the Bank Transfer Receipt and send it by mail to subh16@gmail.com along with the filled-in Registration Form
