

**REGISTRATION CUM  
ACCOMODATION REQUEST FORM**

Submission Deadline : 25/12/2015

**INTERNATIONAL WORKSHOP ON HYDROLOGY :  
THE INTERDISCIPLINARY SCIENCE OF WATER**

**January 4-14, 2016  
Department of Environmental Science,  
Tezpur University  
Tezpur, Assam**

Name (Block Letter) : \_\_\_\_\_ M/F: \_\_\_\_\_

Designation/Professional/Title : \_\_\_\_\_

Organization : \_\_\_\_\_

Address : \_\_\_\_\_

\_\_\_\_\_

\_\_\_\_\_

Tel : \_\_\_\_\_ Mobile \_\_\_\_\_

E-mail : \_\_\_\_\_

Accommodation Required (Yes/No) : \_\_\_\_\_

Single Accommodation (Yes/No) : \_\_\_\_\_

Double Accommodation (Yes/No) : \_\_\_\_\_

Registration fees has been paid via Demand Draft  
No. \_\_\_\_\_ in favour of The Registrar,  
Tezpur University / Though SBI online / offline  
banking bearing Transaction No \_\_\_\_\_  
to SBI A/C No. 10501585452 of Tezpur University.  
Demand Draft/Fees receipt has been enclosed  
herewith.

Signature

**Guest Faculty**

**Prof. Kangjoo Kim** is a faculty of Kunsan National University, Kunsan, South Korea. His research interests include hydrology and environmental geochemistry, groundwater contamination and remediation, management of coal combustion residues, coastal geochemistry, chemical analysis of water and soils, and statistical analysis of chemical data.

**Co-host Faculty**

**Dr. Apurba Kumar Das** is an Associate Professor and head of the department of Environmental Science in Tezpur University. His research interests are in geomorphology, Riverine hazards, landforms, Socio-economic issues. He has special interest in changing water regimes, natural hazards and hydro-meteorological processes.

**Course Co-ordinator**

**Dr. Manish Kumar** is an Assistant professor of Department of Environmental science, Tezpur University, Assam. His research interests are in understanding contamination pathways in freshwater systems; tracing pollutant attenuation in groundwater using isotopes; sustainable urban water management and possible remediation techniques.

**Address of Course Co-ordinator**

**Dr. Manish Kumar, Assistant Professor  
Tezpur University, Assam**

**INTERNATIONAL WORKSHOP  
ON  
"Hydrology: An interdisciplinary  
Science of Water"**

**4<sup>th</sup> — 14<sup>th</sup> January, 2016**

*Organised by*

**Department of Environmental Science  
Tezpur University  
Assam, India**

**'An event under'**

**Global Initiative of Academic Networks**

**Venue :**  
Tezpur University  
Tezpur, Assam  
India, 784028

## About the GIAN

Global Initiative of Academic Networks (GIAN) is a new program approved by Govt. of India which is aimed at tapping the talent pool of scientists and entrepreneurs, internationally to encourage their engagement with the institutes of Higher Education in India so as to augment the country's existing academic resources, accelerate the pace of quality reform, and elevate India's scientific and technological capacity to global excellence.

## Overview & scope of the workshop

The aim of the proposed course is to inculcate the sense of urgency to act in researchers/policymakers/industrialists and make them aware with the scope in this field and ways of contributing towards sustainability in the water resource management by understanding the governing processes of water storage and supply on watershed scale followed by developing integrated efficient operating system. Much advancement has been made in this field but the difficulty lies in the application of the existing information to arrive at a solution for this. Thus outcomes of this course will be relevant to and/or mainstreamed into policy processes. These issues are kept in the priority list of government agenda and very much on the line of goal and policy process. Course participants will learn these topics through lectures and hands-on experiments. Also case studies and assignments will be shared to stimulate research motivation of participants.

## About the Organization

Tezpur University, Assam is a central university established in 1994 by an act of Parliament. The objective of the university is to offer interdisciplinary courses and promote research in emerging fields of science and technology. The university runs several academic programmes at undergraduate, postgraduate and doctoral level and emerged as a sought after university in the country.

## Travel Information

The university campus is located about 15 km east of Tezpur, the headquarters of the Sonitpur District of Assam. It is well connected with Guwahati, the capital city of Assam. Guwahati is very well connected by air and train with the rest of the country

## Accommodation

Accommodation will be provided on request at hostel or University guest house inside the University campus. Request for accommodation should be sent in advance for booking confirmation.

## Who can attend

- Executives, Faculties engineers and researchers from manufacturing, service and government organizations including R & D laboratories.
- Students at all levels (B. Tech / M. Sc. / M. Tech / Ph.D.) and most of the streams or Faculty from reputed academic institutions and technical institutions.

## Registration fees

Participants from abroad : US \$500  
Industry / Research Organizations : ₹ 10000  
Academic Institutions : Faculty / Staffs : ₹ 5000  
Research scholar/students: ₹ 3000

## How can apply

Applications cum Registration forms are attached with the brochure and can also be downloaded from [www.tezu.ernet.in](http://www.tezu.ernet.in) Completely filled registration forms along with scanned copy of bank transaction details should be mailed to [tugianhydrol@gmail.com](mailto:tugianhydrol@gmail.com)

## Submission Deadline

**25/12/2015**
