

# Goods and Services Tax

# GST

Transforming India -  
from Political Union  
to Economic Union

## BENEFITS OF GST

- Single tax to replace multiple levies of Centre and States.
- Mitigation of cascading of taxes.
- Uniformity of tax rates and structures.
- Easy and reduced cost of compliance for taxpayers.
- Seamless transfer of input tax credit.
- Improved competitiveness.
- Greater transparency in tax administration.

*Single Tax to replace multiple levies, right from  
manufacturer/supplier to consumer*
