

Workshop on Instructional Skills

(28th to 30th January 2016)

Organized by Department of Education, under Teaching Learning Centre (TLC)

Tezpur University, Tezpur-784028 (Assam)

About the workshop

Workshop on Instructional Skills is a flagship program of **Teaching Learning Centre (TLC)** under the scheme of Pandit Madan Mohan Malaviya National Mission on Teachers and Teaching (PMMMNTT), department of higher education, MHRD. One of the noble missions of TLC is to facilitate the development of skills engaging latest technological devices as aids to teaching-learning process and to help faculty in capacity building for curriculum designing and scientific assessment and evaluation. Keeping in mind the objectives behind TLC, Department of Education, Tezpur University is going to organize the said three days Instructional Skill workshop from 28th January to 30th January 2016.

The Three-day Workshop on Instructional Skills will enhance the teaching effectiveness of teachers from across disciplines and will make them aware of innovative teaching approaches by which they will sharpen their existing skills. At the same time they will reflect on their own teaching practices with the help of different activities organized during the workshop. Teacher's content knowledge and instructional skill play a critical role in improving student's academic achievement with respect to critical thinking and character dispositions which is also the demand of 21st century. In this line workshop on instruction skills will definitely provide platform for participants to accumulate hands on experiences on instructional skills like learning and innovation skills, information, media and technology skills, self- directed learning strategies, soft skills etc.

Objectives of the Workshop:

1. To design and facilitate effective teaching learning experiences.
2. To refine and expand teaching practices and assessment techniques.
3. To increase awareness of participatory learning concepts.
4. To practice various instructional strategies, techniques and skills.
5. To experience the diversity of contemporary classroom and needs of the learners.
6. To increase knowledge of self as a teacher.
7. To develop and enhance 21st century skills.
