OBJECTIVE

The department of Molecular Biology and Biotechnology was established in 1997. This department has been recognized by the Department of Biotechnology (DBT), Government of India and granted accreditations for the Post Graduate programme. The department offers two-year M. Sc degree in Molecular Biology and Biotechnology, 5 year Integrated M.Sc in Bioscience and Bioinformatics and PhD in Molecular Biology and Biotechnology. The department is also supported by UGC-SAP (DRS Phase I), DST-FIST and DBT Strengthening project for teaching and research in North East.

We are organizing the NATIONAL SEMINAR ON "Recent Advances in Biotechnological Research in North East India: Challenges and Prospects" November 27-29, 2014. The purpose of this seminar is to encourage active participation of young scholars of this region to showcase their progress in biotechnological research and other allied areas. Through this we would get opportunity to invite reputed scientist of the country to encourage young researchers of North East India.

ABOUT TEZPUR CITY

Tezpur is situated on the northern banks of river Brahmaputra in Sonitpur District of Assam. It finds mention in our ancient epic of Mahabharata as Sonitpur. Kaziranga National Park is only 80.6 km via NH37A and AT road from Tezpur. With a drive of about 1hr 10 min, one can visit the National Park famous for one horned Rhinoceros. Tezpur city is also considered one of the most beautiful township of Assam.

ARRIVAL AT TEZPUR

Tezpur is well connected to the other parts of Assam. By road, one can drive from Guwahati in approx. 3.5 hr (about 210 kms). Flights are available from Guwahati and Kolkata on selected days of week.
