Tezpur: 784028, Assam

About Tezpur University

Tezpur University was established by an Act of Parliament in the year 1994 with a vision to develop human excellence and inculcate leadership through hard work and creativity. The University campus is located at Napaam about 15 km east of Tezpur town, Sonitpur district, Assam. The University has been awarded as Visitor's Best University for the year 2016 and accredited with "A" grade by NAAC. Recently, University also ranked World's top 20 Best Universities (20), World Young University Rankings (101-1509) and the QS (Quacquarelli Symonds) BRICS University Rankings (171-180) in 2018.

About Dept. of Environmental Science

The Department of Environmental Science, Tezpur University was established in the year 2004. The Department offers M.Sc. and Ph.D. programmes. *The mission of the Department is to impart knowledge through quality teaching and research to answer fundamental questions before mankind pertaining to environmental challenges with a special focus on contemporary national needs.* The Department has earned recognition by receiving financial support under UGC-SAP and DST-FIST. Several research projects funded by national and international agencies have been undertaken by the members of the faculty.

About the Seminar

The seminar has been envisaged to draw attention of the scientific community devoted in intensive research in domains of the environmental science and technology to a monolithic platform for showcasing the current research updates in the country and to offer a forum to discuss, learn, and build new collaborative networks with a futuristic view towards a better tomorrow. With these clear intensions, the following broad themes have been worked out for the seminar.

THEMES (Not limited to):

1. Environment pollution (air, water, soil, noise)
2. Environmental pollution and society
3. Energy alternatives
4. Climate change: technology and adaption
5. Forest dynamics and Biodiversity conservation
6. Vulnerable ecosystems and risk assessment
7. Environmental modelling
8. Pollution: Epidemiology and public health
9. Remote sensing and GIS
10. Environmental laws and policies

Submission of Abstract

Extended abstract within 500 words may be submitted by email to cpep2019@gmail.com. The abstract must address the research gap and objectives, methodology adopted and appreciation of results. Authors name, their affiliations and email IDs of the contributors are to be clearly written in the abstract. **The deadline of abstract submission is extended up to 30.05.2019.** The mode of presentation (oral/poster) of each submitted abstracts will be intimated to the authors via email.

Travel and Accommodation

Tezpur is a city known for its cultural heritage and is a destination for tourists. Three national parks of international importance, namely Kaziranaga, Nameri and Orang, are situated within a radius of 50 kms from Tezpur. Tezpur is well connected by road, rail and air. Flights are available from Kolkata on selected days of the week. However, it is convenient to travel by road from Guwahati which is about 200km. Buses ply between Guwahati and Tezpur quite frequently. Cabs are also available on hire. Participants will manage their own travel and accommodation. Limited accommodation is available in the University Guest House which may be booked for the participants on request on a first come first serve basis. Option for making request for booking accommodation is provided in the registration form.
