

UGC-SAP(DRS-II) and Tezpur University sponsored

One week Workshop

on

“Analytical Techniques in Chemical Sciences”

Organized by

Department of Chemical Sciences in association
with Teaching Learning Centre (TLC), Tezpur University
20-25 January, 2020

The Department of Chemical Sciences in association with Teaching Learning Centre (TLC), , Tezpur University is organizing a one week workshop on **“Analytical Techniques in Chemical Sciences”** from **20th January to 25th January, 2020**.

The developments in the field of analytical techniques and their applications are of tremendous importance to the understanding of chemical, material and biological sciences and for the future prospect of industrial and academic developments in the country. The purpose of the workshop is to bring awareness among the young researchers and faculty members about the recent developments and importance of modern Analytical Techniques.

Interested participants are requested to submit their application form by e-mail to ubrrlj@yahoo.co.in on or before January 15, 2020.

All the selected candidates have to participate entire duration of the workshop. A no objection certificate from the Head of the Department / Organization is desirable. List of selected candidates will be published in the university website on January 17, 2020.

Outstation participants are requested to arrange accommodation by their own either in university Guest House or in Hotels at Tezpur town. Limited accommodation may be arranged on payment basis on campus upon request.
