### **Ten Day Research Methodology Workshop for Research Scholars (15- 24, February, 2016)**

The Department of Education, Tezpur University is organizing a Ten day Research Methodology Workshop for researchers sponsored by MHRD-Pandit Madan Mohan Malaviya National Mission on Teachers and Teaching Scheme under Teaching Learning Centre (TLC). The core objective of the workshop is to equip the research scholars with set of skills and potentiality to undertake the research very effectively in the disciplines of social science and to turn completed research into publishable material of high quality in the form of articles, journals and books. This workshop is designed to offer the practical guidelines and direct the researchers through all the stages of research from identifying a research problem to the submission of a dissertation, report writing and research article. The course intends to deal with variety of quantitative and qualitative research methods used in social science researches. It also gives exposure to data analysis with the help of software packages. The workshop consists of both theory and practical. By the end programme they are expected to develop conceptual clarity and practical knowledge to undertake quality research and writing good research papers field-reports and project proposals etc.

#### **Workshop Objective**

- To apprise them about different perspectives on Research Methodology
- To understand the nature of scientific methods and its application to social phenomenon
- To develop an understanding of different sampling techniques
- To enhance their knowledge of hypothesis formulation and testing.
- To orient them with different tools used for data collection and data analysis.
- To apprise them about emerging trends in Educational research

#### **Thematic Areas of Training**

- Different perspectives on Research Methodology.
- Nature of Scientific Methods and its application to Social phenomenon.
- Sampling techniques in Social Science Research
- Hypothesis –Formulation and Testing.
- Data Collection
- Data Analysis
- Research Report writing
- Emerging Trends in Educational Research
- Emerging research areas in Social Science Research in Northeast India.

## **Eligibility of Participants**

The program is designed for individuals currently pursuing research in Doctoral work, College / University teachers of recognized research institutions are eligible to apply for participation in the workshop.
