

## SCIENCE & INSTRUMENTATION MEETING-III

To be organised by India-TMT & Department of Physics, Tezpur University.

**01-03 December 2015**

India-TMT is going to host a meeting to involve the Indian community of astronomers and engineers in various activities related to the upcoming mega-facility.

### SOC

- Shashi Bhushan Pandey, ARIES (Chair)
- A. N. Ramaprakash, IUCAA
- Annapurni Subramaniam, IIA
- Gazi Ameen Ahmed, TU
- Rupjyoti Gogoi, TU
- Amit Pathak, TU

### LOC

- All faculty members of the Department of Physics, TU

### GOALS

- ✓ To highlight the current status of Thirty Meter Telescope (TMT).
- ✓ To discuss specific scientific and technical work that is in progress.
- ✓ To initiate the formation of various groups of interested participants who can directly play a role in the various TMT-related activities in which the Indian institutes (ARIES, IIA, IUCAA) are involved.

## PARTICIPATION IS ONLY THROUGH INVITATION

### TARGET PARTICIPANTS

Astronomers, engineers, faculty members, research scholars and advanced level MSc and final year engineering students.

Masters and final year BTech students should fill the online form before application deadline to receive invitation.

Participation is limited; travel and accommodation will be provided to participants joining from outside Tezpur (bus or train AC-3 max).

**Register online:** <http://goo.gl/forms/JKnUL5Qn1b>

**Application deadline:** 30 September 2015

### VENUE

*Department of Physics, Tezpur University, India.*
