

About the workshop

Department of Energy, Tezpur University is organizing a one day workshop on NGO-Academia meet to upgrade rural technology through S & T intervention on 20th June 2015. The programme is funded by RuTAG –NE hosted at IIT Guwahati. The Rural Technology Action Group (RuTAG) is a mission, conceptualized, initiated and sponsored by Dr. R Chidambaram, Principal Scientific Adviser (PSA) to the Government of India. It aims at improving the rural economy through appropriate S & T interventions in the traditional methods of production. The primary intension of the workshop is to identify the NGOs working in rural technology where S & T intervention is required. The potential work will be further promoted to marketable/saleable stage by RuTAG-NE. In order to make the event successful a maximum of two participants from NGO/organization are cordially invited to attend. A line of confirmation of participation in the workshop is highly appreciated. The confirmation of participation should reach on or before 18th June 2015. TA, accommodation and working lunch will be provided for the participants.
