Workshop on *Integration of Basic ICT tools in Teaching Pedagogy*

Internal Quality Assurance Cell is pleased to join Teaching Learning Center to organize a series of Workshops for the teaching fraternity of Tezpur University. Primary objective of the Workshop is to enable the teachers to use household ICT tools for creation and dissemination of e-resources.

In the first phase, a 2-days “Hands on Workshop on Integration of Basic ICT tools in Teaching Pedagogy” is planned during June 8 and 9, 2020 intending to focus on the following topics (may not be limited to):

- Use of digital learning platforms in education,
- How to use of google classroom: Tutorial for the teachers,
- Screencasting for e-learning,
- Screencast-o-matic with tutorials,
- Free Cam with tutorials
- Online live classes using free tools

The workshop is basic and those who are not familiar with ICT tools may find it very useful. However, wider participation is desired to get the benefits of the experience sharing of experienced faculties.

All communication and dissemination of information will be attempted in online mode in this phase of Workshop.
