On the 23rd of April 2022, the cadets of NCC Tezpur University, 5 Assam Bn NCC, had a successful SSCD activity on the topic of Women's Empowerment, Gender Equality, and Anti-Dowry.

The total strength of the cadets was 23 comprising 15 SD and 8 SW. With the help of banners, effective slogans such as "এগৰাকী মহিলাক শিক্ষিত কৰক, এখন ৰাষ্ট্ৰক শক্তিশালী কৰক।, তুমি মহিলা বলে তুমি দুৰ্বল এটা কখনো বোলো না।". The cadets performed incredibly well in an act that provided essential information about anti-dowry, its consequences and solutions, and government schemes to improve women's positions. A total of 20 residences were covered, with mothers and girls being respectfully summoned to gather and listen to the cadets.

Women's helpline numbers, NGOs, the Assam Police Women's Helpline, and Assam government programmes for women's and girls' development were prepared ahead of time on sheets of paper and delivered to the female listeners. The cadets also had the opportunity to connect with the women individually and gain a better understanding of their position.

The programme began at 1030 hours with the goal of raising awareness in the community about topics such as gender equality, anti-dowry, and women empowerment at Tezpur University's surrounding villages.
