## **Tezpur University signs MoU with Queen's University Belfast**

In a significant initiative to tap mutually beneficial opportunities for collaborative research and building capacities of human resource, a Memorandum of Understanding (MoU) was signed by Prof. V.K. Jain, Vice Chancellor, Tezpur University (TU) and Prof. Ian Greer, President and Vice-Chancellor, Queen's University Belfast (QUB) in the presence of

key  
functionaries  
from both the  
universities on  
02.05.2019.

The  
MoU has a  
number of  
provisions for  
the benefit of  
students and  
faculty

members of both the universities.

As per the agreement, sponsored scholars will be nominated by Tezpur University for admission to a Collaborative Research Degree Programme (CRDP) at Queen's University. A CRDP is a formal arrangement of joint supervision, at PhD level, by an academic each from both universities. The maximum period of stay at Queen's University will be two semesters for the scholars under the schools of Humanities & Social Sciences (HSS) and Management Sciences (MS), and six semesters for scholars of schools of Sciences and Engineering.

The scholars who are registered for a PhD programme at TU, will be able to undertake a research internship at Queen's University. The maximum period of stay at

Queen's University shall be two months for HSS and MS scholars and two semesters for Science and Engineering scholars.

High achieving scholars from TU who have commenced their studies in certain programmes (M.Tech, M.Sc, MA, MBA and BTech) will be able to undertake project work or a research internship at Queen's University with joint supervision.

There will be exchange of visits by TU and QUB staff for collaborative research, teaching and discussions. In addition, undergraduate students will be able to go for summer school study experience of three to four weeks at Queens's University. Scholars registered at Queen's University may also be nominated to carry out part of their studies/ research at TU.
