

TREES PLANTED BY TU STUDENTS UNDER THE “ONE STUDENT, ONE TREE” DRIVE

The special plantation drive of Tezpur University “One Student, One Tree” was launched on May 9 and 10, 2015 under which the final-semester students scheduled to leave campus after the current Semester are to plant one tree each and nurture it till he/she stays in the campus. The outgoing students took up the novel drive with emotional spirits and as many as 371 trees of different varieties including Mango, Litchi, Guava, Olive, Letekul, Bonsum, Halak, Titachapa, Sal, Sisoo, Ajar, Black Jamun, Jack fruit and Neem were planted at appropriate locations in the campus on the said days with the help of junior students and NSS volunteers.

An initiative of the University administration, the drive has triggered a high enthusiasm amongst the students, faculty and administrative staff of the University a number of whom voluntarily turned up at the plantation sites to extend their assistance.
