

## **Sri Atal Bihari Vajpayee's Birth Anniversary Celebration**

Tezpur University Organized Oratory (*Bhaashan Shailee*) and Essay Competitions on 24 December, 2014 to celebrate the Birth Anniversary of Sri Atal Bihari Vajpayee. The programme on Oratory Competition was inaugurated by Professor Khanindra Pathak, IIT Kharagpur. The programme was attended by Students, Faculty members and Employees of the University. In his inaugural address Professor Pathak emphasized the need of technology innovation for promoting better governance at every work of life. Professor Pathak highlighted the need of effective governance to tackle the issues arising out of increased population and associated decrees in human value. The application of innovative technologies, such as GIS Integrated IT Network could facilitate effective governance and better services at various levels of governance including academic institutes. A broad range of issues covering national development, system of governance, management of national resources, the strength and weaknesses of technology and aspirations of citizens have been deliberated by the students in their oration. Recent examples of the applications of modern technology to solve common man problems are also cited by the orators.

Professor P. J. Mahanta, Dean School of Humanities and Social Sciences chairing the programme commented that oration is a strong medium of communication as evidenced from the effective style of oration of the Sri Atal Bihari Vajpayee. Professor Mahanta also expressed his pleasure that young generation has been motivated to this oration mode of communication as is evidenced by this oration programme.
