NOTIFICATION

The Tezpur University Students' Council in collaboration with the University Administration has launched a drive for collecting relief materials for donating to the victims of the recent devastating flood that has ravaged a good part of the State of Assam. A considerable amount of cash as well as other items has already been collected from the students, faculty and employees of the University. However, it is felt that the message for this noble cause may not have yet reached some of the members of the University fraternity who are otherwise willing to donate for the flood victims.

Therefore, a temporary collection point has been opened in the **Office of DSW (Students' Activity Centre)** where willing members of the University fraternity can donate (during office hours) either in cash or in kind. The collection point will remain open till **24.08.2016** (Wednesday).

It is pertinent to mention that a village in Bagori Range of Kaziranga National Park has been identified for the donation of the materials.
