Notification dated 08 July 2020

**List of applicants for recruitment of 96 (Ninety six) Technical Officers to be engaged under Jal Jeevan Mission, Assam.**

Till the last day of receipt of the application i.e. 05 July 2020, applications from following applicants have been received through Google form, irrespective of the fact whether applicants meet the eligibility criteria or not. ONLY those applicants who have submitted applications through the google form before closing time but whose names are NOT there in the given list below, should send an email with details of submission (date and time of submission) to [jaljeevantu@gmail.com](mailto:jaljeevantu@gmail.com) by **10 July 2020**. Also, in the event of the online Google form being filled up by an applicant multiple times, only one entry shall be considered while shortlisting. Applications submitted by means other than the specified "Google Form" will not be considered.

For shortlisting the candidates, eligibility criteria as per advertisement shall be checked and percentage scored by the applicants in HSLC, HS and BE/Tech will be considered with weightages 10 percent, 20 percent and 70 percent respectively. Applicants who have submitted their score in CGPA are required to submit the conversion formula issued by degree awarding institution. Those, who have not submitted the same, are hereby informed to submit the conversion details (with authentic documentary proof) by using the same email id (which was used for submitting application) in the form <https://forms.gle/dbWED1H3bSUjZEH37> by **10 July 2020**. Those who have already submitted, need not submit again. Without the details of conversion of CGPA to percentage, the applicants will not be considered for shortlisting. For those whose results are expressed in numerical marks (and percentage) in the marksheet, need not submit any conversion details.

Please note that the information provided by the applicants will be accepted as true without any further verification for the purpose of shortlisting. The onus of proving the claims entirely depends on the shortlisted candidates when asked for. Any misrepresentation or submission of false information will be regarded as offence as per the relevant law.
