Notification

Date: 17-04-2021

In view of the current increasing numbers of COVID-19 positive cases inside the TU campus, following decisions have been taken by the University for immediate implementation:

1. All PG/UG students except final year and Ph. D. students of the University shall have to leave the campus on or before 23.04.2021. They shall vacate their occupied rooms with bag and baggage, or they can keep their belongings in a safer place inside the hostel. But, university will not be responsible for any damage/loss of such properties. They shall deposit their room keys to the Caretaker/Security personnel of the hostel before leaving.
2. Final year PG/UG students can stay inside the campus till 29th April, 2021 with all COVID-19 protocol as notified earlier. They have to complete their research/laboratory works by that time and shall vacate their occupied rooms with bag and baggage by 30th April, 2021. They shall deposit their room keys to the Caretaker/Security personnel of the hostel before leaving.
3. Regarding room vacation of Ph.D. students will be notified soon.
4. Examination schedule will be revisited and CoE will inform the students accordingly at an early date.
5. International students will be allowed to stay back in their respective hostels till further notification.
