Notification

Dated: 06.01.2021

Kind Attn: Continuing Students, Tezpur University

Due to COVID-19 pandemic, students were asked to vacate the hostels on or before 18-03-2020 and instructed them to keep their belongings in a hostel designated common place with tagging before leaving. But most of the students did not follow the above instructions and kept their belongings in scattered manner inside their rooms.

Now, University is planning to call back the students in staggered way by following all COVID-19 protocol. As per guidelines of UGC and MHA, Govt. of India, students are to be provided single room accommodation to maintain social distancing. At present, it is not possible for single room accommodation as most of the rooms are filled up with some belongings of the existing boarders.

Keeping above in consideration, students can visit their hostels within one week (if possible) to keep their belongings in a common designated place of the hostel. In that case, a prior permission for hostel visit will be necessary from the undersigned. They can send e-mail to dsw@tezu.ernet.in.
