Congratulations to all graduating students

The Vice-Chancellor of Tezpur University has congratulated all graduating students who have been awarded degrees and diplomas in the XVIII Convocation.

Though University would have been happy if all the graduating students could be accommodated in the Convocation Hall, it has to restrict the number due to COVID-19 protocols for which only PhD Scholars and Gold Medalists could be allowed to attend the Convocation in person. We missed the other graduating students in this Convocation.

We apologize to all students for not being able to accommodate them. Wish you all the best in your future endeavours.
