Tezpur University faculty features in the list of world's top 2% scientists

Prepared by a team of scientists at Stanford University, USA, 03 faculty members of Tezpur University had featured in the list of world's top 2% scientists. The database of the independent study has been published in one of the highly rated journals, PLOS Biology.

The faculty members who featured in the prestigious list are- late Prof. Ashok Kumar of Dept. of Physics, Dr. Shyamal Kumar Das, Assistant Professor, Department of Physics, Dr. Dhruva Kumar Bhattacharyya, Professor, Department of Computer Science and Engineering.

The list features more than 100,000 top scientists of the world and the list is created on the basis of standardized citation indicators such as information on citations (a quotation from or reference to a book, paper, or author, especially in a scholarly work.), h-index (a metric for evaluating the cumulative impact of an author's scholarly output and performance; measures quantity with quality by comparing publications to citations.), co-authorship and a composite indicator as stated in their website <https://journals.plos.org/>
