

Office of the Dean of Students' Welfare
TEZPUR UNIVERSITY

No. TU/DSW/23/2009/161-A

Date: 20/11/09

To

Parents / Guardians of all hostel boarders
Tezpur University

Sub: Hostel mess regarding.

Dear Parent / Guardian,

On behalf of Tezpur University, I would like to inform you that till date, the University has been bearing the expenditure on the menials engaged in the hostels, although there has been no provision for that from Ministry of Human Resource Development (MHRD) and University Grants Commission (UGC). We have recently received a notification from MHRD instructing all Central Universities to stop incurring expenditure on menials engaged in the hostels, as a part of the austerity measure imposed upon the Universities. The matter was thoroughly and frankly discussed in the meeting of the Students' Council, Tezpur University held on 15/10/09. Accordingly, a joint decision has been taken to implement it in a phased manner. In the first phase, the University will continue paying 50% of the total expenditure and remaining 50% will be borne by the hostel boarders with effect from January, 2010. The position will be reviewed during March-April, 2010 and the decision on the second phase of implementation will be taken then. The parents / guardians will be intimated accordingly. Kindly note, these decisions are arrived at by taking our students into confidence.

We solicit your kind cooperation and request you to do the needful.

With best regards,

Sincerely yours,

Sd/-
(S.K. Sinha)
Dean, Student's Welfare
