

Department of Business Administration

With a dedicated team of professional academicians with Industrial experiences, the Department of Business Administration regularly conducts Short Term courses for targeted groups, as well as the flagship programme of Two year, Four Semester, Full Time MBA, in addition to PG Diploma course in Tourism Management, Part-time MBA (3 years) and PhD program.

The Department has active Industry-Academia interaction through in-house as well as off-campus Management Development Programmes for Executives of all levels, for diverse industries.

The high point of such interaction is the Annual event – SAMPARK...the interface, involving business houses and organizations – National, Trans-National as well as MNCs.

Tezpur University

Tezpur University was established vide an Act of Parliament in 1994, giving it the status of Central University. Its uniqueness lies in its unitary nature, with no affiliated college. There are 14 Departments under 5 Schools. Situated about 15 kms away from Tezpur town, the mighty Brahmaputra flows on one side with the snow-clad peaks of the eastern Himalayas visible from the other side of the sylvan campus. The sprawling 244 acre fully-residential campus is located at a serene rural countryside in a serene environment which is congenial for study and research. A visit to Tezpur University is a rewarding learning experience by itself.

SPSS

SPSS Inc. (NASDAQ: SPSS) is a leading global provider of predictive analytics software and solutions. The company's predictive analytics technology improves business processes by giving organizations consistent control over decisions made every day. More than 250,000 public sector, academic, and commercial customers rely on SPSS technology to help increase revenue, reduce costs, and detect and prevent fraud. Founded in 1968, SPSS is headquartered in Chicago.
