The University

Tezpur University was established, by an Act of Parliament, in 1994 by the then Prime Minister of India, P. V. NarasimhaRao. The objects of this University as envisaged in the statutes are that it shall strive to offer employment oriented and interdisciplinary courses to meet the regional to national aspirations and the development of the state of Assam and also offer courses and promote research in areas which are of special and direct relevance to the region and in the emerging areas in Science and Technology. The University imparts education and undertakes research in seventeen departments under five schools: Science & Technology, Engineering, Humanities & Social Science, Energy & Environmental Science & Natural Resources and Management Science.

TUIPR Cell

The Tezpur University Intellectual Property Rights Cell (TUIPR) was set up with the objective of sensitizing and stimulating the TU fraternity to derive Intellectual Property Right (IPR) benefits for their potential intellectual works. It provides the assistance to the members of TU fraternity for the filing of patents and other issues pertaining to IPR. The Cell is also involved in sensitization and benefit sharing by means of organizing workshops and seminars on IPR issues.

The Workshop

Technology Information, Forecasting and Assessment Council (TIFAC), DST, Govt. of India, as a part of their mandate is sponsoring a one-day “Intellectual Property Rights Sensitization Workshop” (IPRSW- 2010). The objective of the workshop is to sensitize participants from various teaching and research institutions of North East India on the IPR scenario in India as well as a global perspective.

Interested participants are requested to send in their duly filled Registration Forms to the Coordinator, TUIPR Cell.
