

Inauguration of Microsoft Innovation Centre at Tezpur University

A Microsoft Innovation Centre (MIC) will be inaugurated in the School of Engineering Complex at Tezpur University on 2nd September, 2013. Mr. Joseph Landes, General Manager, DPE - Microsoft India, will inaugurate the Centre.

The Centre has been proposed to enable students to become aware of the latest technology and develop a spirit of innovation. MIC creates the right space for students for developing new applications.

Microsoft has many Innovation Centres around the world. MIC at Tezpur University is one among the 25 such centres in India and the 1st in North East India.

MIC's primary areas of focus are:

- **Skills and Workforce Development**
- **Business and Industry Partnership**
- **Solutions and Innovations**

For further details – visit MIC's site at <http://www.microsoft.com/mic>
