

**National Workshop  
on  
Climate Action and SDGs  
(CAS-2023)  
21<sup>st</sup> March 2023**

*Organized by*  
Department of Environmental Science  
Tezpur University

E-mail: [tuconf.env@gmail.com](mailto:tuconf.env@gmail.com)

## **About the University**

Tezpur University was established by an Act of Parliament in the year 1994 with a vision to develop human excellence and inculcate leadership through hard work and creativity. The University has been awarded as Visitor's Best University in the year 2016 and was also able to achieve the 5th rank among the universities in an assessment of higher educational institutions in India conducted by the Ministry of Human Resource & Development (MHRD), Govt. of India, through the National Institutional Ranking Framework (NIRF). The university has been accredited with an 'A+' grade recently in August 2022.

## **About the Department**

The Department of Environmental Science, Tezpur University was established in the year 2004. The department provides M.Sc. and Ph.D. programme with a mission to impart knowledge with quality teaching and research to answer fundamental questions before mankind in regard to environmental challenges with a special focus on contemporary national needs. The department is supported by UGC-SAP and DST-FIST. The department is carrying out various research projects to produce quality information about the environment and to identify immediate measures for the mitigation of environmental degradation. The department also executing the DST's Centre of Excellence project on "Climate Change Impact on Agriculture and Biodiversity in North-East India" under the Climate Change Programme Division as part of the National Mission for Sustaining the Himalayan Ecosystem (NMSHE) that focuses on the assessment of the effect of changing climate and environmental conditions on sustainable livelihoods of people inhabited in different eco-climatic zones of North-Eastern region.

## **The Workshop**

Climate change is a complex, multi-dimensional challenge of the current era. Today, we all accept that the climates of our planet are truly changing and are not imagination. The impacts are quite conspicuous and would likely be more catastrophic unless we all work now. In this context, we need to change our living style through education, innovation, and faithfulness to our climate commitments. As such, the incorporation of climate-centric values into the course and curriculum of formal educational programs is the best way to begin the process. Therefore, the major emphasis of the workshop would be on developing appropriate guidelines to incorporate the knowledge related to climate change and sustainable development goals in the curriculum and syllabus at the undergraduate and post-graduate levels in an inclusive manner. We expect the participation of stakeholders of various societal backgrounds.

# Tentative Schedules and Speakers

1 <sup>st</sup> Session 10:00 Am to 11:30 AM	Speaker	Topic
Inaugural Session (9:30 AM – 10:00 AM)		
Lecture 1: (10:00AM to 10:40 AM)		
Lecture 2: (10:40 AM to 11:20PM)		
Tea Break (11:20AM to 11:40AM)		
Lecture 3: (11:40AM to 12:10PM)		
Lecture 4 (12:10 PM to 12:50 PM)		
Lecture 5: (12:50 PM to 1:30 PM)		
Lunch (1:30 PM to 3:00 PM)		
Round Table Discussion (3:00PM to 4:00 PM)		
Valedictory Followed by Tea		

## Target groups

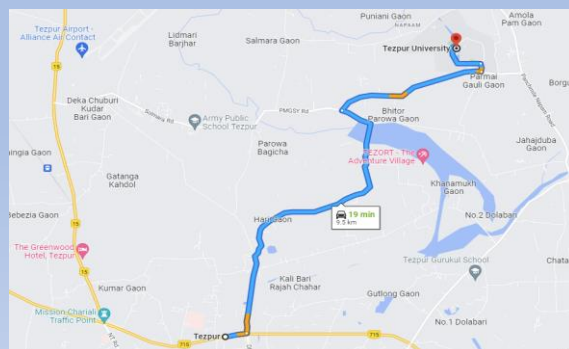

Young graduates, Researchers, Scientists, Academicians, from various academic streams, and Environmentalists, Experts and NGOs from different aspects of Environmental Sciences.

## About Tezpur

Tezpur, the 5th largest and oldest city of the state of Assam, is also called the 'Cultural Capital' of Assam. The city has very picturesque landscapes with snow clad Himalayan ranges all around and beautiful green tea gardens on the hill slopes, making Tezpur an all-time favorite for tourists. The term Tezpur, in the district of Sonitpur, means the town of blood. The city acquired its name owing to a myth involving a fierce battle that was fought between Hari (Lord Krishna) and Hara (Lord Shiva in the form of Banasura, the king), and the entire city was drenched in human blood, hence the name. Tezpur has 73 tea gardens including the biggest tea garden in the world. The other major tourist attractions are Agnigarh, Bamuni Hills, Nameri National Park, Ganesh ghat etc.

## How to Reach

Tezpur University is located at Napaam ~15 km east of Tezpur, the headquarters of the Sonitpur district of Assam. It is 188 km and 176 km away from Guwahati railway station and Lokpriya Gopinath Bordoloi International Airport, Guwahati, respectively. The University is well connected by rail and road via Tezpur.

## **Chief Patron**

Vice Chancellor, Tezpur University

## **Patron**

Prof. Dr. R. R. Hoque, Head, Department of Environmental Science

## **Chairman Organizing Committee**

**Prof Dr. Kasi Marimuthu**  
Department of Environmental Science

## **Convener**

**Dr. Satya Sundar Bhattacharya**  
Assistant Professor, Department of Environmental Science

## **Organizing Secretary**

**Dr. Amit Prakash**  
Assistant Professor, Department of Environmental Science

## **Members**

- ✓ Dr. A.L Devi: Professor, Department of Environmental Science
- ✓ Dr. Nirmali Gogoi; Associate Professor, Department of Environmental Science
- ✓ Dr. Sumi Handique: Assistant Professor, Department of Environmental Science
- ✓ Dr. Nayanmoni Gogoi; Assistant Professor, Department of Environmental Science
- ✓ Dr. Santa Kalita; Assistant Professor, Department of Environmental Science
- ✓ Dr. Pratibha Deka; Assistant Professor, Department of Environmental Science
- ✓ Dr. N. Ullah; Guest Faculty, Department of Environmental Science
- ✓ Dr. M. Ghosh Dutta; Guest faculty, Department of Environmental Science

## **NO Registration Fee**

Participants need to register through the google link given  
Below within stipulated time
