**NOTICE RE-INVITING QUOTATION (NIQ)**

Online Tenders in 02 Bid System (Technical and Financial) are invited from reputed manufacturers/authorized dealers for supply, installation & commissioning etc. of the following items required for MeitY Sponsored project of Prof. Partha Pratim Sahu, Department of Electronics and Communication Engineering, Tezpur University. Those bidders who have submitted their bid in response to our earlier NIQ No. **ET-NIQ-1292-DT-31-08-2021 [CPPP eProcurement Tender ID: 2021\_TEZU\_646834\_1]** are asked to submit their Bid again without paying the requisite fees if already paid.

Please read the NIQ document carefully before participating. It shall be deemed that submission of bid by the bidder has been done after their careful study and examination of the NIQ terms with full understanding to its implications. Any lack of information shall not in any way relieve the bidder of its responsibility to fulfill its obligations under the Bid.

The University will reject a proposal for award if it determines that the bidder recommended for award has engaged in corrupt or fraudulent practices in competing for, or in executing, the Purchase Order. Fraudulent Practice means a misrepresentation of facts in order to influence a procurement process and includes collusive practice among bidders (prior to or after Bid submission) designed to establish Bid prices at artificial non-competitive levels and to deprive Tezpur University of the benefits of free and fair competition. Corrupt Practice means offering, giving, receiving or soliciting of anything of value, pressurizing to influence the action of a public official in the process of this purchase execution.
