Special Workshop for Tezpur University Faculty
on
Development of E-Module with Four Quadrant Approach
(11-21 December, 2020)

Teaching Learning Centre, Tezpur University is going to organize an Online Workshop on Development of E-Module in Four Quadrant Approach for the newly recruited faculty of Tezpur University during 11 and 21 December, 2020. The objective of the program is to enable the teachers to design, develop and implement e-modules and online courses that are in tune with SWAYAM. The workshop will focus on introducing tools for creation and dissemination of e-resources, required techniques to implement e-modules in four quadrant approach of SWAYAM and using Google Classroom for dissemination of e-resources and management of online class. All communication and dissemination of information will be done in online mode.

Participants need to fill up the online application form <https://docs.google.com/forms/d/e/1FAIpQLSfeL3cl4hi4ZpnXy5vCj8lMoQCchyZeeYeNx5cbzas7TcIHQ/viewform> with all the required details.

Available seat: 20

Last date of Application: 09/12/2020

TLC reserves the right to select the faculty in this workshop. Preferences shall be given to young faculty members. Selected faculty will be intimated individually through emails.
