

# PLACEMENT PROCEDURE

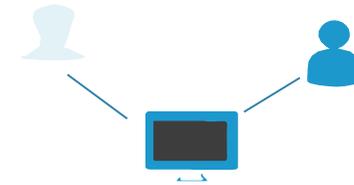

Placement Season begins in September and goes on till May

Campus Placement Invitations with other relevant information are sent out to the recruiters by T&P Cell. New recruiters can contact T&P Cell directly by sending a brief email [tnp@tezu.ernet.in/](mailto:tnp@tezu.ernet.in) [tuplacement@gmail.com](mailto:tuplacement@gmail.com) explaining their requirements.

Recruiters can register on the T&P website.

T&P Cell will schedule campus visits / virtual process on mutual consent. Recruiter should provide details of the job and compensation breakup details of the offered position during their Preplacement talk.

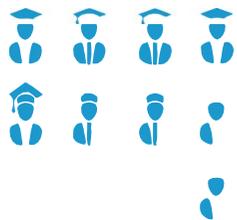

Interested and eligible (as per the criteria specified by the recruiter) students show their willingness to appear for the recruitment process of a company by sharing their details as per the given format. Details of all such students become available to the organization immediately.

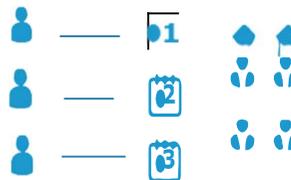

Job description & others details will be shared among the students of the respective department /Centre.

Recruiters visit the campus / conduct the process virtual on the allotted date(s) and conduct tests and/or interviews according to their recruitment process.

Recruiters can shortlist students. Recruiters are also urged to maintain a waitlist of students who can be interviewed in the event of non-availability of some of the shortlisted. Recruiters are requested to share the feedback based on their experience.

Recruiters can issue the offer letters by end of May and selected candidates will be available for joining from 1st August.
