ASSIGNMENT FOR SEMESTER END EXAMINATION, SPRING 2025

Course Name- TELEVISION PRODUCTION

Course Code- MAMCD / MMC 303

Full Marks= 30

Assignment

Develop a 5-Minute Audio-Visual News Package (Total Marks: 30)

Objectives:

Develop a five-minute audio-video news package on an important and relevant topic related to culture. Your news story must be original, well researched and professionally packaged.

Instructions:

1. Choose a contemporary issue related to culture.
2. Carry out research on the issue from reputable sources and/or with interviews.
3. Prepare a script with a clear introduction, body (in the body provide facts, figures, quotes from or video clips) and conclusion.
4. Record the audio-visual clips, it is preferable if you are not on camera (use appropriate images), edit the audio-visual pieces, use appropriate audio; include your own narration. Use text on the images wherever necessary.
5. You must ensure that the final piece is approximately 5 minutes in length.

Method of submission:

- Put the video in a **pen drive** and sent to along with other assignments.
- Rename the pen drive with your name, enrolment number and paper code.
