Assignment Questions Spring 2018

MMC 204: Project I

This project may include any of the following:

- i) At least THREE articles published in an established newspaper / magazine either in English or in any of the recognized Indian languages.
- ii) A feature / news capsule prepared for Radio / TV which was actually broadcast.
- iii) Any THREE research based articles on any topic relating to Mass Communication which may or may not have been published.

Students who wish to submit any of the above two options must produce documentary evidence from the editor / concerned authority that the products were actually his or her creation.

This publication or broadcast article must be published or broadcast after the student has taken admission in this course.
