CONCEPT NOTE

Enhancing awareness and pedagogy regarding Intellectual Property Rights (IPR) is the need of the hour with tremendous advancement in technological development as well as rising significance of Intellectual Property. This online faculty development programme organized by IQAC, Khagarijan College, Nagaon, Assam in collaboration with DPIIT-IPR Chair, Tezpur University, Sonitpur, Assam is an initiative towards knowledge empowerment of faculty members of higher education institutions with a thorough overview on IPR Laws, policies and practices. This aims to foster a culture of innovation, out of the box thinking, wider outlooks and entrepreneurship views within the academic community. These sessions arranged in a chronological order aims to provide maximum input to the participants with planned lectures from eminent personalities and experts in this area; on a wide range of topics like Patents, IPR in academia, IPR and AI, Trademarks etc. This initiative thereby expects to enhance IPR awareness among the community to safeguard their research work, protect it from research theft and plagiarism as well as understand the ways to get complete ownership of own work. The FDP further aims to initiate talks and interests regarding development of IPR related courses, research projects and curricula. There can also be a ripple effect through this initiative in inspiring innovation and entrepreneurship among the student community, which can become a massive contribution towards the growth engine of the country and propelling the country's socio-economic trajectory.

Online FDP

On

“Intellectual Property Rights, Patent and Research”

Sept 25th – Oct 1st, 2024

Organized by

**IQAC,
Khagarijan College,
Nagaon, Assam**

In collaboration with

**DPIIT-IPR Chair, Tezpur
University**

Khagarijan College

Khagarijan College is one of the integral higher education institutions in Nagaon district of Assam with a legacy of over fifty years since its establishment in 1972. The word “Khagarijan” prestigiously displays the original name of Nagaon rejuvenating the ancient roots and heritage of the town. Affiliated to Gauhati University and registered under 2(F) and 12(B) of University Grants Commission Act, 1956; the college has successfully completed the 3rd cycle of NAAC Accreditation and also celebrated Golden Jubilee of the Institution in 2023 with great enthusiasm. Since its inception the pursuit of knowledge, has all along been the avowed objective of the institution. Apart from dissemination of knowledge, the college aims to generate new values relevant for the new generation of society. The College, with a dedicated teaching and administrative staff makes an assiduous effort to prepare the students for a good career; to face the stark realities of life and help them build up character and personality to become responsible citizens of the country.

DPIIT-IPR Chair Tezpur University

Tezpur University Intellectual Property Rights Cell (TUIPR Cell) was established in 2009 with a vision to develop human resource in the management of Intellectual Property Rights as an integral part of the innovation process and the innovation value chain in the University. The Cell has been involved in several IPR awareness and implementation programmes in the University Campus and across the North East region. The Cell is gradually building IPR consciousness in the Region, not only within the institutions but also among different strata in the society.

In 2020, the Department of Promotion of Industry and Internal Trade (DPIIT) under the Ministry of Commerce and Industries, Govt. of India has awarded the prestigious IPR Chair to Tezpur University under the Scheme of Pedagogy & Research in IPRs for holistic Education & Academia (SPRIHA). A key objective of this Cell is to integrate IPR with the education process to enhance the quality of thinking, propagate a culture of regard, respect for IPR, and ensure speedy and accurate identification and protection of innovations arising out of the research work carried out in the University. The Cell also aims to aid grassroots innovators in the Northeast region to help them realize commercial benefits of their innovations.
