

Signing of MoA with NRDC

In a landmark initiative for commercializing the homegrown technologies, Tezpur University has come in agreement with National Research Development Corporation (NRDC), an enterprise of the Department of Scientific & Industrial Research, Ministry of Science & Technology, Govt. of India, to develop fruitful collaborations with suitable industry partners and commercialise promising technologies developed in the campus. A Memorandum of Agreement has been signed in this regard on 02.06.2018 in the University between Tezpur University and NRDC in presence of key functionaries. Dr. Biren Das, Registrar, TU and Dr. H. Purushotham, CMD, NRDC signed the documents on behalf of their respective organisations. This initiative is believed to accelerate the process of rolling out of the home-grown technologies to the market, that will make these available to the society, beyond the university campus.
