Issues Raised	Issues Resolved
Personal Problem in the past regarding relationships with parents, health and career issues.	Constant interaction and sharing of problems.
Unwanted emotions during class hours	Private classes were conducted. Friendly behaviour towards the student.
Adjustment problems	Feel good factor was instilled. Terms to reality was made understood.
Superiority complex	Unlearning and unmasking of unhealthy ideas.
Acute health problems.	Family counselling and immediate check ups were instructed. Minimum provisions for comfortability.
Identification of anxiety	Relaxations were made in exams, classes and assignments at times.
