You may mention strong and weak points of the course / instructions:

What are the practices that you like about the instructor and wish that it be continued?

Sir, used innovative teaching method which is really very attractive. Method of teaching that are applied excellent,

What are the practices that you wish the instructor to discontinue?

Nothing

What new teaching techniques or evaluation methods would you like the instructor to adopt?

Nothing.

Any suggestions regarding the course:

So. Regarding the course, I would like to suggest that the books of women & digital literary are not available in the library. So, library should keep sufficient amount of books.
