NOTIFICATION

On Non NET Fellowship

As per this office notification issued from time to time on enlistment of eligible Ph.D. scholars are to submit their claim for Non-NET Institutional Fellowship in prescribed form to the Head of the concerned department within 4th day of the following month or next working day, if 4th day is a holiday and the HoDs are to forward the claim forms to the O/o CoE within 5th day of the following month or next working day, if 5th day is a holiday, for further processing.

However, it has been observed that these claims are being sent to the O/o CoE quite late as a result of which, the release of Non NET fellowship is getting delayed.

It is hereby informed to all concerned that henceforth no claim form(s) for Non NET fellowship will be accepted after 5th day (or next working day if 4th day is a holiday) in the O/o CoE.
