ABOUT THE CONFERENCE

The Tezpur University Science Graduate Research Conclave, 2025, aims to offer an engaging platform for PhD research scholars as well as final year Master's student across India to present their work, share knowledge and promote interdisciplinary collaboration. Participation is open to Master's and PhD students registered with any State or Central Institute or University in India.

This two-day event will feature oral and poster presentations to facilitate academic exchange and the sharing of cutting-edge research. As a pioneering initiative, the conclave seeks to unite the brightest young minds in Indian science at a critical phase of their academic careers. With India advancing in research and technology, it is essential to foster collaboration and interdisciplinary culture to tackle today's scientific challenges.

The conclave offers a national platform for scholars to present their work, engage with peers, and receive feedback from leading scientists, empowering early-career researchers to enhance their presentation skills and gain national visibility. By encouraging interdisciplinary collaboration, the event promotes innovative thinking and the formation of cross-disciplinary partnerships.

The categories for the 1st Tezpur University Science Graduate Research Conclave are:

- Category A:** Chemical Sciences
- Category B:** Environment and Earth Sciences
- Category C:** Life Sciences
- Category D:** Mathematical Sciences
- Category E:** Physics
- Category F:** Multidisciplinary Sciences

These categories cover a broad spectrum of scientific disciplines, ensuring that participants from various research areas can present their work and engage in fruitful discussions.

ABOUT TEZPUR UNIVERSITY

Tezpur University, established on January 21, 1994, by an Act of Parliament of India, is a Central University that receives funding from the Ministry of Human Resource Development, Government of India, through the University Grants Commission. The academic programmes, offered in the University, have a distinct focus on Science, Technology, Management, Humanities and Social Sciences. The University provides a wide range of programmes of Under-graduate Degree / Diploma / Certificate, Integrated Programmes, Post-Graduate Degree/Diploma and Doctor of Philosophy Degree in various disciplines. The University holds an 'A+' Grade accreditation from NAAC and was honored with the Visitor's Best University Award by the President of India in 2016.
